

JUICE UP YOUR BUSINESS ...

WITH JUICES FROM JUICEMAKERS ... PLUS MUCH MORE

Demand for healthy and delicious juices is growing among health-conscious consumers. You can rapidly respond to this trend with juices made for you by the unique juicers from JuiceMakers. Unpeeled fresh fruit and vegetables go straight into the juicer, and delicious juice flows out just a few seconds later. The benefits? Your customers enjoy a super fresh, super fast, extremely delicious and highly nutritious juice, while your business enjoys a healthy margin.

THE FRESHEST, BEST TASTING JUICE EVER

Fresh fruit and vegetables form the basis of every JuiceMakers juice. When it comes to flavour combinations, the possibilities are endless. The JuiceMakers menu shown here lists some of our delicious juice mixes. They have all been carefully selected and tested before receiving the consumer's stamp of approval. Our menu changes with the seasons. This means we can guarantee sufficient variety and absolute freshness.

The juices offer an exceptional flavour experience. The JuiceMakers juicers use a unique centrifugal technology, which creates juices with a delicate creamy texture that will have every customer coming back for more.

HÉERLIJK VERS

JuiceMakers: the fastest juices, tailored to your business, with a healthy margin.

Whether you are a small local business or a major chain, we have a solution that is tailored to your business. We offer healthy margins that will increase your return. You can earn back your investment or rent by selling just a few juices every day. Moreover, JuiceMakers juicers are extremely simple to use. There is no need to peel the fruit or vegetable beforehand, the juice is ready within a few seconds, and your JuiceMakers juicer can be rinsed clean at the touch of a button. Deep cleaning the machine at the end of each day takes no more than 15 minutes. Finally, we provide you with full support through our quality and service programme, so that you can devote all your time to serving your customers.

1 Standalone JuiceMakers Juicers

JuiceMakers Juicers can be placed in any location and produce delicious juices at the touch of a button. They are available for purchase or rent.

In addition, we provide full support through our JuiceMakers quality and service programme, which includes daily deliveries of selected prepacked fruit and vegetables, cardboard straws, cups and other accessories. You focus on your business - we take care of the rest.

2 JuiceMakers Floors & Instore Juicebars

If you have a location that attracts higher levels of footfall, you can opt for JuiceMakers Floors or Instore Juicebars with refrigeration and display areas. They have a guaranteed capacity of up to 60 juices an hour. Through the JuiceMakers quality and service programme, we also take care of the following:

- Registration, construction and implementation of Floors and Instore Juicebars
- Training
- Daily deliveries of selected pre-packaged fruit and vegetables
- Menus, cardboard straws, cups and other accessories.

3 From JuiceMakers Kiosk Store to fixed locations

Do you want to set up your own JuiceMakers Kiosk Store or Foodtruck, or a JuiceMakers Juicebar at a fixed location? We will be happy to help you. We can assist you with every stage of your project, from the selection of the location, the business plan and the design, up to and including implementation and even co-financing.

JuiceMakers quality and service programme

We work with you and your staff to optimise quality and efficiency.
Every juice at every location must provide the same exciting flavour experience.
Through our quality and service programme, we provide support in every area:

- menu, daily deliveries of fresh fruit and vegetables
- accessories (clothing, cups, lids, straws, napkins)
- communication materials
- maintenance
- training
- (if necessary) selection of location, registration, construction, additional equipment, leases, financing, insurance, and integration of online/mobile ordering system.
